

DID YOU GET YOUR FLU SHOT THIS YEAR?

Dear Member,

Do you know that the flu season is round the corner and you can be the next target. It's not too late to get a flu vaccine to protect yourself and your loved ones.

Schedule your Flu Shot Today

(Choose a time and location that is convenient for you)

***Fix an
Appointment Now***

***Speak to our
specialist***

Vaccination is especially important for protecting those at high risk for serious flu complications, including:

- young children
- pregnant women
- adults 65 years and older
- anyone with chronic health conditions like asthma, diabetes, and heart disease.
